

JN 15:4 remain in me; I in him → bear much fruit
 15:7 " " " " my Words

He remains in us thru His Words. We experience
 Christ in us thru His Word! We feel Him here
 thru Time in Word know Him heart
 level

Lk 24: ~~27~~ one my favorite passages

:27 He opened Scriptures
 32 hearts burned within us.

When you get alone with this book when set your
 heart like Ezra - not just to know facts, ^{find} blessings
 even arguments, but meet Him

If seek Him in here ^(hold Bible) → He'll reveal Himself to you
 you'll experience Him → your heart will burn
 within you! That's why He wrote this ↓
 He wants us to know Him intimately

As Moses said "That's why Tyndale's & others were willing to
 die. It wasn't just a book it was Him.
 "It was their very life". Once you experience
 that burning in your heart you'll be like them
 just

like David → treasures you'll never surpass.
 never experience any other way, never grow weary

Pray!
